

Overview of Technical NFC Documents

June 2008

General	Rev.	Document No.	Document status
Line Card for NFC devices	Oct. 07		Public
NFC Document Request Form			Public
Product: PN511	Rev.	Document No.	Document status
Data Sheet PN511 - NFC Transmission Module	3.4	079734	On request
Product Short Data Sheet PN511 - NFC Transmission Module	3.3	082733	
Anomaly Sheet for PN511 - Transmission Module	2.0	101320	On request
PN51x Quick Start Guide	1.1	108511	On request
Tips and Tricks when integrating PN51x	1.1	108711	On request
PN51x, Basic function library	4.1	109141	On request
NFC Demo board based on PN511	2.0	110020	On request
Near Field Communication FAQ	1.3	110713	On request
How to use PN51x Demo Boards	3.0	119430	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
RF Amplifier for NXP Contactless NFC Reader IC's	2.0	142520	On request
Windows Hardware Abstraction Layer (HAL) Software Development Kit (SDK) for NXP NFC IC PN531 USB/Serial, PN532 (serial), PN51x (serial): SDK_NFC_HAL_v2.2 including Source code ("C") HAL (Install shield) including MIFARE 1K and P2P examples and HAL Quick Starter Guide	2.2	123622	On request
Product: PN512	Rev.	Document No.	Document status
Product Data Sheet PN512 - NFC Transmission Module	3.2	111332	On request
Product Short Data Sheet PN512 - NFC Transmission Module	3.3	124533	
PN51x Quick Start Guide	1.1	108511	On request
Tips and Tricks when integrating PN51x	1.1	108711	On request
PN51x, Basic function library	4.1	109141	On request
Near Field Communication FAQ	1.3	110713	On request
How to use PN51x Demo Boards	3.0	119430	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
RF Amplifier for NXP Contactless NFC Reader IC's	2.0	142520	On request
Windows Hardware Abstraction Layer (HAL) Software Development Kit (SDK) for NXP NFC IC PN531 USB/Serial, PN532 (serial), PN51x (serial): SDK_NFC_HAL_v2.2 including Source code ("C") HAL (Install shield) including MIFARE 1K and P2P examples and HAL Quick Starter Guide	2.2	123622	On request

Product: PN531	Rev.	Document No.	Document status
Short Form Specification, Near Field Communication PN531 μ -based Transmission module	2.0	100020	On request
Near Field Communication FAQ	1.3	110713	On request
AN10287; Tama/PN531 demo boards; PN531-04D PN531-05D	0.3	110903	On request
PN531 User Manual UM0501-02	0.2	111802	On request
PN531_C2 NFC controller preliminary data sheet	3.0	111930	On request
PN531/C2 Application Note	1.6	115316	On request
Design-in kit PN531/C2	1.0	123110	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
RF Amplifier for NXP Contactless NFC Reader IC's	2.0	142520	On request
Windows Hardware Abstraction Layer (HAL) Software Development Kit (SDK) for NXP NFC IC PN531 USB/Serial, PN532 (serial), PN51x (serial): SDK_NFC_HAL_v2.2 including Source code ("C") HAL (Install shield) including MIFARE 1K and P2P examples and HAL Quick Starter Guide	2.2	123622	On request
Product: PN532	Rev.	Document No.	Document status
Data Sheet PN532/C1, Near Field Communication (NFC)	3.1	115432	On request
PN532 NFC Controller Short Form Data Sheet	1.2	120112	On request
SRCTester installshield v1.6.2.0	1.0	141410	On request
Near Field Communication FAQ	1.3	110713	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
RF Amplifier for NXP Contactless NFC Reader IC's	2.0	142520	On request
Windows Hardware Abstraction Layer (HAL) Software Development Kit (SDK) for NXP NFC IC PN531 USB/Serial, PN532 (serial), PN51x (serial): SDK_NFC_HAL_v2.2 including Source code ("C") HAL (Install shield) including MIFARE 1K and P2P examples and HAL Quick Starter Guide	2.1	123622	On request
PN532C104 User Manual UM0502-06	0.6	126606	On request
PN532 Application Note	1.0	133910	On request
PN532C106 Demoboard (AN 10609_1)	1.0	153910	On request
PN532 Application Note, C106 Appendix (AN 10609_2)	1.0	153710	On request
User Manual of PN532/C106, Near Field Communication (NFC) (UM0701-02)	2.0	141520	On request
Product: PN533	Rev.	Document No.	Document status
Objective Short Data Sheet PN533/C250, Near Field Communication (NFC) Controller	1.0	146710	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
RF Amplifier for NXP Contactless NFC Reader IC's	2.0	142520	On request

Product: PN544	Rev.	Document No.	Document status
Objective Short Data Sheet: PN544, Near Field Communication (NFC) Controller	1.2	134812	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
RF Amplifier for NXP Contactless NFC Reader IC's	2.0	142520	On request
Product: PN65K	Rev.	Document No.	Document status
Product data sheet PN65K, Near Field Communication (NFC) SmartConnect Module in a single package	3.0	127530	On request
Short Form Specification; PN65K, Near Field Communication (NFC) SmartConnect Module in a single package	1.3	111113	
Design-in kit PN531/C2	1.0	123110	On request
PN65K Application Note (AN10581_1)	1.0	141910	On request
Near Field Communication FAQ	1.3	110713	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
Windows Hardware Abstraction Layer (HAL) Software Development Kit (SDK) for NXP NFC IC PN531 USB/Serial, PN532 (serial), PN51x (serial): SDK_NFC_HAL_v2.2 including Source code ("C") HAL (Install shield) including MIFARE 1K and P2P examples and HAL Quick Starter Guide	2.2	123622	On request
Product: PN65L	Rev.	Document No.	Document status
Product Data Sheet PN65L, Near Field Communication (NFC) Smart Connect Module in a single package	3.0	133430	On request
Short Data Sheet PN65L, Near Field Communication (NFC) Smart Connect Module in a single package	2.0	122520	On request
PN532C104 User Manual UM0502-06	0.6	126606	On request
PN65L Application Note (AN10662_2_1)	2.2	148822	On request
SRCTester installshield v1.6.2.0	1.0	141410	On request
Near Field Communication FAQ	1.3	110713	On request
NFC Transmission Module Antenna and RF Design Guide	1.1	144511	On request
Windows Hardware Abstraction Layer (HAL) Software Development Kit (SDK) for NXP NFC IC PN531 USB/Serial, PN532 (serial), PN51x (serial): SDK_NFC_HAL_v2.2 including Source code ("C") HAL (Install shield) including MIFARE 1K and P2P examples and HAL Quick Starter Guide	2.2	123622	On request
Product: NFC Forum Tags	Rev.	Document No.	Document status
Application Note MIFARE Standard as NFC Forum Tag	1.1	130511	On request
Application Note MIFARE DESFire as Type 4 Tag	1.1	130211	On request
Application Note Type MIFARE Standard 1k-4k Tag	1.1	130411	On request
Application Note MIFARE Ultralight as Type 2 Tag	1.2	130312	On request
