AUTOSAR® MCAL for i.MX6

AUTOSAR

Last Updated: Aug 15, 2025

NXP®'s software for AUTOSAR MCAL provides broad driver support for i.MX6-based systems in automotive applications, including the microcontroller, memory, communications, and I/O drivers as well as for the complex drivers for software modules not defined by AUTOSAR.

This software is offered through NXP Professional Services. Please complete the contact form for more information.
