

IMX-LVDS-HDMI Adaptor Card

IMX-LVDS-HDMI

Last Updated: Dec 23, 2025

The IMX-LVDS-HDMI is a LVDS to HDMI adaptor card, which receives 4-lane LVDS input from a MINI-SAS connector and converts it to HDMI signals and output to a standard type-A HDMI connector. It can be connected to any mother board with a LVDS MINI-SAS connector to conveniently validate LVDS function with a common HDMI display panel.
