

USB NFC Integrated Reader Solution

PR5331C3HN

Last Updated: Apr 8, 2022

PR5331C3HN is a highly integrated transceiver module with USB interface for contactless reader/writer communication at 13.56 MHz. A dedicated ROM code is implemented to handle different RF protocols by an integrated microcontroller. The system host controller communicates with the PR5331C3HN by using the USB or the HSU link.
