You can do it.
Your coach
can help.

Your personalized path to better health

Working with a wellness coach can help you to reach your goals with a personalized action plan and one-on-one support. You'll work with the same coach for your entire program, so they can get to know you and help you discover what works for you.

Having someone in your corner can make all the difference

Your coach is there to keep you motivated, track your progress, and celebrate your successes. Wellness coaching can help you:

- Achieve a healthy weight
- Stop using tobacco
- Become more active
- Reduce stress
- Eat healthier

Wellness coaching works

"My coach, Kimberli, cares about me – she remembers my circumstances and is interested in what's happening in my life – and she's there to help."

– **Terri, lost 40 pounds and kept it off**

"On a scale of 1 to 10, my stress level was a 10. Today I am happier and much more confident in identifying specific steps to reduce stress."

– **Claudia, learned how to keep stress in check**
