

Milan | 27 October 2022
Meliá Milano
 Full Conference Schedule

Thursday	Room GALFA	Room PIRELLONE	Room BREDA	Room GAE AULENTI	Room NIDO VERTICALE
08:30 - 09:00	Welcome and Registration				
09:00 - 10:00	Plenary Speech (NXP Semiconductors Italy Hosting) Plenary Room				
10:00 - 11:00	EUf-ENT-T4403 Discover the NXP's ARM-Based Microcontrollers Product Portfolio Focusing on IoT and Industrial Applications	EUf-AUT-T4397 Evolution of Automotive Networks	EUf-SMH-T4316 Introduction to Matter and NXP's Enabling Solutions	EUf-ENT-T4201 EdgeLock SE050E & A5000 - Simplify Your Secure IoT Design	EUf-AUT-T4398 Analog Product Portfolio Update
11:00 - 11:30	Coffee Break				
11:30 - 12:30	EUf-ENT-T4404 Learn More About NXP's Application Processors Offer for Industrial and IoT Applications	EUf-AUT-T4409 S32K3 Family of General Purpose 32-bit Automotive MCUs and the i.MX RT1170 Automotive Cross-Over Processor	EUf-ENT-T4407 NXP EdgeReady Smart HMI Solution	EUf-IND-T4232 Meet MCX: Bold New MCUs for the Intelligent Edge	EUf-AUT-T4399 NXP Sensors Update
12:30 - 14:00	Lunch				
14:00 - 15:00	EUf-ENT-T4405 Get Familiar with NXP's Portfolio of Cost-effective Wireless Solutions Dedicated to the Applications for the Internet of Things	EUf-AUT-T4226 NXP's Comprehensive High-Voltage Battery Management System Reference Design and Collaterals	EUf-ENT-T4406 eIQ Fundamentals	EUf-ENT-T4299 i.MX 93 Applications Processors Power a New Era of Secure Edge Intelligence	EUf-AUT-T4401 NXP's Industrial Networking for More Secure and Faster Communication
15:00 - 15:15	Coffee Break				
15:15 - 16:15	EUf-CIT-T4400 NFC Everywhere – Latest Products and Use Cases	EUf-AUT-T4408 S32G Family: The New Generations of Vehicle Network Processors and the i.MX 9 Family–The New Generation of Automotive Application Processors	EUf-IND-T4249 EV Charging Station Solutions	EUf-ENT-T4242 Introduction to Ultra-Wideband (UWB) Radar	EUf-AUT-T4402 NXP PMICs and SBCs Solutions
16:15 - 16:30	Closure (Plenary Room)				
Legend	Automotive	Enabling Technologies	Smart City	Smart Home	Industrial
* Please note that this schedule might change and sessions might be moved into different rooms as necessary according to audience size for a given class.
