PUT THE PRICE
When you travel in the US, you are entitled to one free checked bag per trip. If you exceed the weight or size limits, you will be charged a fee. The fee varies depending on the airline.

CAPTURE FREQUENCIES
You are allowed one free checked bag per trip. If you exceed the weight or size limits, you will be charged a fee. The fee varies depending on the airline.

INFRASTRUCTURE
At most airports, there are baggage claim areas where you can collect your luggage. These areas are usually located near the exit gates.

CURRENT TRENDS
Many airlines are now offering baggage fees that are based on the weight of the luggage instead of the number of bags. This can be a more affordable option for passengers who travel with multiple bags.

LOCATIONS
In the United States, baggage fees vary depending on the airline you choose. Some airlines offer free checked bags for passengers, while others charge fees for each bag.
